Title: Federal Medical Care Recovery Act Bill Requests; Request for VA Billing, CHAMPVA Request for Billing

OMB Control Number: 2900-NEW.

Type of Review: New collection.

Abstract: The purpose of collecting this information is to provide basic information from which potential liability can be assessed for VA to recover the cost of care from the liable party instead of the American taxpayer and Veteran paying for the care. Failure to provide any or all of the requested information may delay or result in VA’s inability to create accident-related billing, assert a claim for reimbursement, and assist the Veteran in their personal injury or workers compensation claim. Without a third party paying for the care, the Veteran may owe VA copayments. With regards to the CHAMPVA form alone: Failure to provide any or all of the requested information may delay or result in VA’s inability to provide CHAMPVA benefits.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The ***Federal Register*** Notice with a 60-day comment period soliciting comments on this collection of information was published at 83 FR 16922 on April 17, 2018, pages 16922 and 16923.
